FAQs for Hospital Helpline (EHCPs/NHCPs) Number – 14413

Hospital Empanelment Module Related Issues

1. **What is the process for empanelment of the hospital?**

Ans. - Healthcare service providers may register themselves on a web-based platform called hospital empanelment module (HEM) portal to get themselves empanelled under PMJAY. Each provider will have to fill in some basic information in the HEM portal and create an account which will provide an exclusive reference number (HOSP ID) and password to the hospital on their registered mobile number. Using the credentials, a detailed application form will have to be filled for empanelment of the healthcare service provider. The link for applying for empanelment is attached below:

https://hospitals.pmjay.gov.in.

For more details, hospital may refer **page 9-13** of Guidelines on Hospital Empanelment and De-Empanelment dated July 2022 which is available at:

https://pmjay.gov.in/sites/default/files/2022-09/OM%20with%20Revised%20Hospital-Empanelment-Guidelines-July%2022.pdf

Ans.– The Guidelines on Hospital Empanelment and De-Empanelment for healthcare providers under AB-PMJAY dated July 2022 is available at:

https://pmjay.gov.in/sites/default/files/2022-09/OM%20with%20Revised%20Hospital-Empanelment-Guidelines-July%2022.pdf

3. **What are the mandatory hardware requirements as required post approval by the Hospitals.**

Ans - The hospital is required to procure necessary mandatory hardware as provisioned by the National or State Health Agency. The kit refers to

i. Computer

ii. Fingerprint scanner

iii. Internet

iv. IRIS Scanner

v. Printer/ Scanner

vi. Web camera

4. **How do I get the login credentials for BIS/ TMS/ Support Portal?**

   Ans - After registration through web-based platform called Hospital Empanelment Module (HEM) Portal, Hospital gets a hospital unique ID & password on its registered mobile number and email address further hospital will fill the complete details on HEM Portal. Post proper verification and its fulfilment of mandatory criteria, Hospital will the get required Login credentials for the Beneficiary Identification System (BIS), Transaction Management System (TMS) and support portal after filling the prerequisite format, concern IT team will provide the required login credentials.

5. **How to go for enhancement of hospital details/accreditation certificates/ upload bank details/contact names-contact numbers-email ids, on HEM portal?**

   Ans – For enhancement of hospital details & speciality, hospital need to log-in into HEM Portal and refer enhancement column and fill the required details and raise the request for further approval to SHA/NHA approval authority.

   For accreditation and certifications, hospital need to raise the request in required column and upload their certificate, post verification and decision shall be taken by SHA/NHA.

   For Bank details/Contact number/Email ID – Hospital needs to raise enhancement under financial details updating and upload support documents i.e. Cancelled cheque, pan card in HEM details mentioned format, after that concerned team will take the do the necessary update.

6. **Inquiry about raising pre-auths in newly empaneled hospital?**

   Ans – Capacity Building Division organizes regular trainings on BIS and TMS on every Tuesday (2:30 pm to 4:00 pm). The stakeholders can avail trainings during these scheduled weekly sessions as well.

   For more information, please use these links
   - https://youtu.be/02G3QeXhUOs- BIS and TMS Training link
   - https://youtu.be/8-vjshl_dcs- Session on TMS

You can also contact DIUs and SHA for organizing trainings and if not resolved then, coordinate with NHA Team.

7. **What is the process for log-in into UMP?**

Ans- User Management Portal (UMP) is aimed to facilitate the users to access the various PMJAY application through the single ID and password. User will no longer be required to create separate credentials. It will also provide the single sign -on facility such that user will be required to login once and all the authorised application s will be accessible under the same screen. UMP facilitates users to create Aadhaar mapped unique User ID and Password that can be used across the PMJAY IT platform.

During the add role process the hospital may refer to the following details. The hospital admin role will be approved by the concerned admin of the NHA whereas all other roles of the hospital will be approved by the respective hospital admin.

FAQs for Hospital Helpline (EHCPs/NHCPs) Number – 14413

Grievance Related Issues

Q.16 Where and how do I raise a grievance?

Ans: - Hospitals can register grievances related to PMJAY through Central Grievance Redressal Management System (CGRMS) portal through both online and offline mode as mentioned below:

a.i. **Online mode:**

a.i.a) through grievance redressal portal at www.cgrms.pmjay.gov.in

a.i.b) via email at cgrms.pmjay@nha.gov.in

a.ii. **Offline mode:**

a.ii.a) by calling on PMJAY tollfree helpline number at 14555 available 24 hrs 7 days of the week/ Hospital Helpline number at 14413 available from 0900 hrs to 1800 hrs 7 days of the week.by post to:

- respective SHA (State Health Agency where the complaint concerns)

a.ii.a..i. directly with the DGNO (District Grievance Nodal Officer) of the district where such hospital is located or where such grievance has arisen

- National Health Authority, 3rd Floor, Tower 1, Jeevan Bharti Building, Connaught Place, New Delhi- 110001

For more details, hospital may refer **page 13** of AB PMJAY Grievance Redressal Guidelines which is available at:

https://cgrms.pmjay.gov.in/GRMS/mainPage/AB%20PMJAY%20Grievance%20Redressal%20Guidelines.pdf

Q.17 Within how many days my grievance will be addressed?

Ans: - Once the grievance raised by the hospital is registered, it gets resolved by DGNO (District Grievance Nodal Officer) within prescribed time frame of 15 days **Turn Around Time (TAT)**. However, if the case is escalated to DGRC

(District Grievance Redressal Committee), it may take upto 30 days for resolution.

For more details related to escalation of grievances to higher officials in given circumstances, hospital may refer **page 23** of AB PMJAY Grievance Redressal Guidelines which is available at:

https://cgrms.pmjay.gov.in/GRMS/mainPage/AB%20PMJAY%20Grievance%20Redressal%20Guidelines.pdf

Q.18 Whom to contact if the grievance is not satisfactorily addressed?

Ans: - Whenever the grievance raised by the hospitals is registered, it automatically gets escalated to concerned DGNO (District Grievance Nodal Officer) which usually gets answered within 15 days. In case if the complainant hospital is not satisfied with DGNO's decision, they can appeal to DGRC (District Grievance Redressal Committee) within 30 days of DGNO order. Similarly, if the hospital is still not satisfied with DGRC's decision, they can appeal to SGRC (State Grievance Redressal Committee) within 30 days. In all such cases, the grievance escalation matrix remains – DGNO—>DGRC—>SGRC—>SAA*

*SAA – State Appellate Authority

For more details related to escalation of grievances to higher officials in given circumstances, hospital may refer **page 23** of AB PMJAY Grievance Redressal Guidelines which is available at:

https://cgrms.pmjay.gov.in/GRMS/mainPage/AB%20PMJAY%20Grievance%20Redressal%20Guidelines.pdf

Q.19 How can I know about the status/ track of my registered grievance?

Ans: - For any registered grievance a Unique Grievance Number (UGN) is generated, you may use this number for tacking your grievance status on www.cgrms.pmjay.gov.in portal.

Q.20 What to do if the grievance is not addressed satisfactorily?

Ans: - You may reopen the grievance using the Unique Grievance Number (UGN) obtained while registering the grievance. A grievance can only be re-opened within 30 days after redressal.

Q.21 What happens to a re-opened grievance?

Ans: - Any reopened grievance will be escalated to the next level for necessary action.

Following is the grievance escalation matrix

DGNO-DGRC-SGRC-SAA

https://cgrms.pmjay.gov.in/GRMS/mainPage/AB%20PMJAY%20Grievance%20Redressal%20Guidelines.pdf
