CGHS

Beneficiary related

1. **What is a referral letter?**

The referral letter is a mandatory document issued by the specialist/doctors at the Wellness Centres and government hospitals to beneficiaries, so they could receive health services from network HCOs. Referral letters or slips are permission letters issued by Medical Officer/CMO of CGHS Wellness Centre. The referral may be mentioned on the computer-generated Prescription slip. These are required to seek treatment for every planned treatment at outpatient or inpatient basis.

2. **What if, beneficiary do not have printed referral letter.**

Manual referral issued by Govt. hospital is also eligible to get services from network HCOs. Also, endorsements can also be obtained on hospital prescriptions through CGHS CMOs.

3. **Does beneficiary need a referral letter for consulting specialist in Govt hospitals?**

Beneficiaries can avail OPD consultation from specialists in any Government Hospital directly without the need for any referral.

4. **What if, beneficiary forgot to carry the printed referral or lost the letter.**

The scan copy/photo of the referral letter or the referral number issued by the Wellness Centre is sufficient to avail the services in HCO. In case of manual referral or referral issued by Govt hospitals the beneficiary needs to bring the physical copy/photo of the referral letter.

If the beneficiary lost the referral letter, he/she will need to provide the referral number to the HCO, so that referral details entered by the specialist at CGHS Wellness Centre may be fetched digitally on the TMS portal. In case they have lost the referral number too, they will need to get a fresh referral from the Wellness Centre or Govt facility as applicable.

11. **What details would be mentioned in the referral?**

The referral letter will mention the hospital/Wellness Centre name, referral type, referral validity, date of referral, specialist's/doctor's name, and details of the recommended component/s (consultation/investigation/procedure).

12. **What is the validity period of the referral?**

The validity of referral letter varies as per the kind of referral given. For investigations and consultations, it is valid for a period of one month. It may be valid up to 3 months too, if specified by the treating specialist. For procedures, it is valid up to 3 months. In cases like dialysis, chemotherapy, it is valid up to 6 months or to 1 year.

13. **Will beneficiaries get services in the HCOs without referral?**

The beneficiaries will not get health services in the HCOs without referral; except in case of medical emergency or in case of OPD consultations and listed procedures for beneficiaries aged 75 years and above.

14. **What if the treatment proposed through referral differs from the treatment package booked by the HCO?**

The beneficiary will need to get a revised referral from the Wellness Centre or govt. hospital. Alternatively, the HCO can book the proposed procedure at the time of raising intimation. In this case, the intimation will go to the Preauth Panel Doctor (PPD) for approval and will be processed within 3 hours.

15. **Will the manually issued referral by the CGHS Wellness Centre suffice to avail treatment at the HCOs?**

Yes, the referral details may be entered manually on the TMS Portal in case of manually issued

referral by the CGHS Wellness Centre.

16. Does the referral slip mention the details of HCO, where services can be availed using referral ID?

The referral slip does not mention the details of the HCO, and the beneficiary may avail health services at any of the empanelled HCOs as per their choice.

17. Is Aadhaar required for issuance of referral letter?

Currently, Aadhaar is not mandatory to avail referral letters from Wellness Centre and govt. hospitals.

18. What is endorsement letter?

The investigations advised by Specialists of Private empanelled hospitals are required to be endorsed by the Medical Officer of CGHS. Such letter/referral is known as endorsement.

19. How many times CGHS beneficiaries can Consult Specialists at private empanelled hospital on referral by CGHS?

Beneficiary can consult up to three different specialists in the same hospital and total 9 consultation can be availed in one referral letter. The allowance for 3 different specialities needs to be mentioned on the referral slip.

20. If covered above, can the beneficiary avail health services in any other city of the country based on referral letter issued from one city?

Yes.

21. My referral letter doesn't have details of number of dialysis or chemotherapy, what to do?

The referral letters usually contain the number of dialysis or chemotherapy sessions in the remark's column. Time period of validity and frequency of dialysis is usually mentioned whereas exact number of cycles in not available in referral.

22. Can I use my referral slip multiple times?

Yes. Provided the services mentioned in the referral letter are fully not utilized and validity period is active.

23. Covered above Validity of my referral letter has expired before completing all the stage of my treatment.

Beneficiary needs to get a new referral letter in such case.

24. Have I need to submit my original copy of referral letter to treating HCOs

No. Hospital will keep a scan copy of the same on the TMS portal.

25. Covered above My HCO is unable to retrieve my information through referral letter in TMS?

In such cases HCOs can upload the referral details manually in the TMS.

26. What are component details in the referral letter?

Component details are the procedure name mentioned on referral slip, permitted by GDMO/CGHS CMO and each component has a corresponding code as per the package master. This needs to be entered in TMS under REFERRAL SECTION.

27. What is the duration of stay included in the surgical package?

Package rates envisage up to a maximum duration of indoor treatment as follows. The

drugs/consumables/ward charges and other ancillary charges for the designated LOS are considered included, hence not liable to be paid separately:

- 12 days for Specialised (Super Specialties) treatment.
- 7 days for other Major Surgeries.
- 3 days for Laparoscopic surgeries / normal deliveries; and
  - 1 day for day care / Minor (OPD) surgeries.

28. What are component details in the referral letter?

Component details are the procedure name mentioned on referral slip, permitted by GDMO/CGHS CMO and each component has a corresponding code as per the package master. This needs to be entered in TMS under REFERRAL SECTION.

29. Can patient procced with the investigations ordered by doctor in same go even though the referral letter allows only consultation service?

No. A fresh referral required for the investigations ordered. However, beneficiaries of or above 75years of age are exempt from this.

30. Once patient is in hospital, can he consult multiple speciality doctors as per convenience?

For change in specialty for consultation requires a distinct referral as it represents change in line of treatment. Beneficiaries of or above 75 years of age are exempt from this.

31. How many consultations are allowed in a single day for same speciality?

For IP: A maximum of 2 consultations can be charged for in a single day.
For OPD: Only 1 consultation can be charged for in a single day.

32. In what scenarios referral letter from CGHS is not required?

The below scenarios do not need a referral letter and need not be requested at any stage of claim processing. Also, the intimation for such cases will be auto acknowledged.

- Emergency cases
- Beneficiary of or above age 75 years seeking treatments under listed packages as per CGHS rate list. This includes both outpatient and inpatient treatments.

33. What is CGHS?

The Central Government Health Scheme (CGHS) is a health care facility scheme providing comprehensive medical care to the Central Government Employees and Pensioners enrolled under the scheme.
CGHS provides health care through following systems of Medicine:

- Allopathic
- Systems of AYUSH (Ayurvedic, Yoga, Unani, Siddha and Homeopathy) and Naturopathy medicine

34. From where I can receive information on questions related to eligibility, operational cities, facilities and all other beneficiary related queries?

For any beneficiary related query, you can visit the following link:
https://cghs.gov.in/CghsGovIn/faces/ViewPage.xhtml#

35. What are the services covered under CGHS?

Following health services are available to CGHS beneficiaries –

- OPD Treatment including medicines.
- Specialist Consultation at Polyclinic/Govt. Hospitals and Empanelled Hospitals.
- Indoor Treatment at Government and Empanelled Hospitals.
- Investigations at Government and Empanelled Diagnostic Centres.
- Cashless facility available for treatment in empanelled hospitals and diagnostic centres for Pensioners and other identified beneficiaries.
- Reimbursement of expenses for treatment availed in Govt. /Private Hospitals under emergency.
- Reimbursement of expenses incurred for purchase of hearing aids, artificial limbs, appliances etc. as specified in OMs issued from time to time.
- Family Welfare, Maternity and Child Health Services.
- Medical consultation and dispensing of medicines in Ayurveda, Homeopathy, Unani and Siddha system of medicines (AYUSH)

36. Who are entitled for availing cashless health services through NHA's IT platforms under the CGHS?

Currently, Pensioners and their dependents can avail cashless health services through NHA's IT platforms at CGHS empanelled hospitals and diagnostic centres. All other CGHS beneficiaries will continue to avail health services as per the old system.

37. What is the process for availing health benefits at CGHS empanelled hospitals under the CGHS?

Beneficiaries can avail healthcare services after one-time e-KYC authentication on Beneficiary Identification System (**BIS**) at point of service. After e-KYC authentication of all registered members of card holders on BIS. Healthcare providers will be able to register verified beneficiaries on the Transaction Management System (**TMS**) for delivery of healthcare services without any manual process.

38. What are the Entitlement criteria for beneficiaries endorsed on CGHS Card in CGHS Empaneled Hospitals?

Entitlement of wards in private hospitals empaneled under CGHS is as under:

S N	Ward Entitlement	Corresponding Basic pay drawn by the officer in 7th CPC per month
1	General Ward	Upto Rs. 47,600
2	Semi-private Ward	Rs. 47,601 to Rs 63,100
3	Private Ward	Rs. 63,101 and above

39. What are the cases under which a beneficiary may raise a grievance?

Beneficiary may raise a grievance in following cases:

- If the empanelled private hospital is refusing to provide services as per the CGHS guidelines
- If the empanelled private hospital is asking for payment for cashless services
- Any other relevant issues related to admission, treatment, etc.

40. How can a beneficiary raise a grievance?

- Beneficiary may visit CGHS Wellness Centre to get the issue addressed as first-level point of contact.
- In case if the issue is not addressed at CGHS Wellness Centre – please contact your regional CGHS AD office.

Hospital related

1. How to book packages for medical management?

- Book room rent (ward as per entitlement/ICU/NICU) on admission date (allowed up to 7 days at a given time), using the respective 'Medical Per Day' package under treatment protocol section.
  - CP018A for the ward, as per entitlement
  - CP018B for NICU
  - CP018C for ICU
  - CP019 series for Covid special wards as per the treatment plan.
  - TMH00 for graded surgeries for cancer treatment
- Book tentative investigations/consultations/procedures as per planned line of management and enter treatment start date as applicable.
- Raise Intimation as per process.

2. How to book drugs and consumables under medical management?

The option of booking drugs and consumables and post discharge medicines would reflect at the time of claim initiation after booking the relevant package. The amount can be entered, and invoice can be uploaded.

3. How to book room rent in case patient is admitted for more than one day?

Room rent can be booked as medical per day package with relevant procedure code. To increase no. of days, option of quantity is available. To resubmit use Enhancement tab and add procedure of relevant medical per day package.

4. For medical management cases, same investigation may be repeated multiple times during single admission. How to book in such cases?

At the time of intimation, the number as per the desired quantity for each investigation may be

selected.

5. How to book COVID packages?

For inpatient treatment, COVID package can be booked as code CP019A, “Treatment for COVID-19 infection”

6. How to book room rent in surgical packages?

Room rent is included in case of surgical packages. In case the length of stay gets extended beyond the included length of stay, medical per day package can be booked for room rent.

7. Is cost of implant included in the package cost?

No. Cost of implant is not included in the package cost.

8. How to book the implants?

Implants can be booked as a separate procedure. The CGHS approved list of implants along with the rates is already mapped in TMS.

9. How to book a procedure not included in CGHS rate list?

Unlisted procedures can be booked as “unspecified procedure”. The HCO can add “Unspecified procedure” and enter the amount to be claimed. An option of “unspecified procedure” has been provided with each specialty.

10. How to book unlisted implants?

Unlisted implants can be booked as a separate procedure, “Unlisted implants”

11. Is GST included in implant cost?

No. However, where applicable, an option of adding GST will be provided at the time of claim initiation for all implants. The percentage of GST can be selected as applicable for the implant. GST is not applicable in case of Intralocular lenses, certain stents, etc. as they are all inclusive.

12. How to book medicines for ophthalmology procedures?

Cost of medicines is included in the package cost. Certain chargeable medicines such as intravitreal injections maybe availed from the MSD through Wellness Centre.

13. Is cost of intra ocular lens included in cataract packages?

No. The Intra ocular lens must be booked separately under implants.

14. Are dental procedures included?

Yes, Dental procedures can be booked under both OPD and IPD as per the requirement. The procedure can be added as per the requirement.

15. What is the specialty code for Dental procedures?

Specialty code for dental procedures is SM

16. Dental procedures like root canal have multiple sittings. How to raise a claim in such case?

In case of multiple sittings for dental procedures such as root canal treatment, claim can be raised at

the time of obturation/filling.

17. In dental procedures, how to claim the cost of crown post root canal?

Crown can be booked as a separate procedure. In case the referral has been provided for both root canal treatment and crown, the same referral code/component code can be used for booking both the procedures. For booking the second procedure, the referral details can be entered manually.

18. How to book multiple fillings in case of Dental treatment?

In case multiple fillings are required, the required quantity may be selected at the time of intimation. The amount of the selected number/quantity will be calculated by the system, as per CGHS rates.

19. How to book the cases for which Tata Memorial rates applicable?

Tata memorial package master has been configured in the TMS. To book a procedure, the procedure can be selected. A stratification option can be selected based on the requirement of OT type/surgery. The total cost derived would include the cost of procedure and anaesthesia based on grade of surgery and the cost of OT/surgery based on stratification option selected.

20. Is room rent included in Tata memorial packages?

Room rent must be booked separately for Tata memorial packages. Medical per day package can be booked. The rates based on the entitlement of the beneficiary is already configured in the system.

21. Are rates as per the accreditation of hospital?

Yes, rates as per the accreditation status, NABH and Non NABH are already configured in our system.

22. How to check for the rates of packages in TMS?

The rates for each procedure code selected are visible in MEDCO login.

23. Previously for Cancer surgery cases, hospitals used grade wise rate list (as per CGHS) + Pharmacy bill + OT Charges + Anaesthesia + Surgeon charges + Implant (as per category mentioned in CGHS card). Is there any change in the process?

Tata Memorial rates are incorporated in the system. As per the TMH rate list, the grade wise procedure cost and grade wise anaesthesia cost is already configured in the system. Charges based on OT type/Surgery type are provided as stratification options. Hospitals may select the required procedure and then select the stratification option based on OT type/surgery type. Room rent and consultation can be booked separately.

24. For pharmacy bills of IPD cases, do hospitals have to keep medicine wrappers?

For medical management cases, an option of adding the amount for drugs and consumables will be provided at the time of claim initiation. The amount can be claimed, and invoice can be attached.

25. Is dialysis an IP procedure?

Dialysis can be booked both under both OP and IP.

26. Referral for dialysis is provided for multiple sessions. Can the same referral details be

used again?

Yes. The referral details for the defined amount of time are valid. The referral details can be entered manually in case of multiple sessions for dialysis.

27. **In case of dialysis, a single referral is provided for multiple sessions. How to raise intimation in such cases?**

An option for increasing the quantity has been incorporated at the time of intimation. Package for Dialysis and the desired quantity may be selected. The maximum quantity allowed for dialysis by the system is 30.

28. **Are all CGHS packages included in TMS?**

Yes, all the packages in CGHS rate list have been included in TMS.

29. **Are the rates same as existing CGHS rate list?**

Yes, the rates are as per the existing CGHS rate list of the respective cities.

30. **Are investigations included in OPD?**

Yes, all investigations are included in both OPD and IPD.

31. **For laboratories, single referral is provided for multiple investigations. How to claim the amount.**

The same referral details can be used to book multiple investigations.

32. **Are dental procedures included in Day-care?**

Dental procedure is included as day-care procedures

33. **Can Ophthalmology procedures be booked in day-care?**

Yes. Ophthalmology procedures are included as day-care procedures

34. **Can cataract and other day care procedures be booked in OP?**

Yes. Day-care procedures like cataract can be booked under both OP and IP.

35. **Is treatment taken in an emergency at non empaneled private hospital reimbursable? If yes, what is the procedure?**

CGHS considers for reimbursement at CGHS rates in case the treatment taken in an emergency from private non empaneled hospitals. The reimbursement shall be restricted to CGHS package rate or actual expenditure whichever is less. In this case, it is mandatory for the beneficiary to submit the emergency certificate issued by that hospital.

36. **What is the URL for TMS?**

URL for TMS portal for CGHS is: **cghs.nha.gov.in**

37. **How can I register on TMS portal?**

i. Once HEM application is submitted and approved by the respective AD, CGHS, TMS login will be shared on the registered MEDCO number. This will include both login and password.

ii. If the hospital application on HEM is still in approval stage, the hospital can enter details for each use as per the given format in the google form by clicking on the below link –

URL: https://tinyurl.com/2dcm7jm6

Note: It may take 24-48 hours to send the login id and password after getting the details through Google form.

38. **What if user have not received my username and password for TMS?**

Check if you have completed the hospital registration on HEM. Please submit the google form:

https://forms.gle/QaAD9kRBFLXNjeJZA for login creation if not done already. It may take 24-48 hours for login creation.

39. What is the process of TMS user authentication during first time login to the TMS portal?

i. On first time login, enter username and password provided by NHA, followed by Captcha
ii. Enter Aadhaar for e-KYC authentication
iii. First OTP will be sent to TMS registered mobile number
iv. Second OTP will be sent to Aadhaar linked mobile number
v. Once the OTP is accepted at each step, you will be able to login and use TMS portal
vi. Next time onwards, enter your TMS username and OTP received on Aadhaar linked mobile number to log in to your TMS account.

40. Why is Aadhaar required?

User Authentication on TMS is done for security reasons to ensure only the registered user has access to Hospital data.

41. What if I want to change the Aadhaar card registered for logging on to TMS portal?

Please fill and submit the below Google form: https://tinyurl.com/s98ndr5s. It may take 24-48 hours for changes to be completed.

42. When/How can an HCO cancel a case in TMS after raising intimation?

1. Under "Intimation" tab : Go to 'Cases for Cancellation.
2. Select the case for which the claim needs to be cancelled and enter remarks.
3. Click on 'Cancel Preauth'.
4. Case will be cancelled.
5. Register the patient again and raise corrected intimation.

43. When/How can an HCO cancel a case in TMS after claim is initiated?

After initiation, a claim can be cancelled only before the CEX forwards the claim to the CPD. Once CEX has forwarded the claim to CPD then it will not reflect under "Cases for Cancellation"
Steps to cancel the claim are:

6. 1. Under "Intimation" tab: Go to 'Cases for Cancellation.
7. 2. Select the case for which the claim needs to be cancelled and enter remarks.
8. 3. Click on 'Cancel Claim'.
9. 4. Case will be cancelled.
10. 5. Register the patient again and raise intimation.

44. What is the format of the Case no. / Case ID

Case ID starts with "CASE followed by Hosp ID followed by ward entitlement of the beneficiary.
For Example:
CASE/PS1/**HOSP**8P130897/C**GW**277861
In the above case id, **GW** stands for General ward
It could have been **SPW** in case of Semiprivate Ward and **PW** in case of Private ward.

45. I am booking a procedure, but the amount is very low under Treatment Protocol on TMS. This is wrong. How to correct it?

Please click on "Package Master" under MIS tab on TMS portal. Please cross check rate available there with the concerned procedure being referred to. Rates are as per CGHS approved rate list. In case of any technical issues, please raise a ticket on Tech Support portal

(www.support.pmjay.gov.in).

46. What is the minimum duration of hospitalization that qualifies to be blocked under medical packages?

Minimum of 24 hours stay is required and the rationale for hospitalization should be provided by the hospital through clinical documents.

47. How can I add the charges of investigations and procedures added on during stay in hospital for conservative treatment?

The claim needs to be resubmitted with added charges. This activity; however, must be done before discharge of the patient in the system. The investigations are a part of surgical package and cannot be separately charged for.

48. How can the drugs/consumables be charged utilized during the hospital stay?

The surgical package includes the cost of drugs/consumable utilized during stay, hence cannot be charged additionally.

The drugs/consumables utilized in conservative management are reimbursed on actuals. The bill for the same can be added at time of claim initiation

49. What are the requirements for "Life Saving drugs" to be charged?

The documents submitted by hospital should contain "Undertaking form" certifying that "Following Life Saving drugs were supplied by CGHS and utilized in the treatment of the patient". Along with it, other supporting IP papers for utilization of drugs should also be included.

50. How to deal with cases that span multiple outpatient visits such as haemodialysis, physiotherapy, sittings for radiotherapy/chemotherapy/dental treatments etc.?

Use quantity option to add quantity.

51. How to collect patient details for "Sample Collection from home" cases?

The website for BIS can be operated in mobile phone as well and can be operated to collect details from patient. Otherwise, the technician would need to carry a document checklist and patient may be requested to provide the required documents. Scanned copy of CGHS card can be used for verification.

52. Can patient procced with the investigations ordered by doctor in same go even though the referral letter allows only consultation service?

No. A fresh referral required for the investigations ordered. However, beneficiaries of or above 75years of age are exempt from this.

53. What all services are allowed on referral letter mentioning "OPD consult", in case of ophthalmology speciality?

Services such as Fundus examination and/or Refraction and/or tonometry can also be performed and separately charged by the hospital, for a consult with ophthalmologist. No separate referral letter is required for the same

54. What are minimum documents to be submitted while raising intimation for OPD?

CGHS Card Copy and Referral slip are minimum documents required.

55. Can patient procced with the investigations ordered by doctor in same go even though the referral letter allows only consultation service?

No. A fresh referral required for the investigations ordered. However, beneficiaries of or above 75years of age are exempt from this.

56. Once patient is in hospital, can he consult multiple speciality doctors as per convenience?

For change in specialty for consultation requires a distinct referral as it represents change in line of

treatment. Beneficiaries of or above 75 years of age are exempt from this.

57. How many consultations are allowed in a single day for same speciality?

For IP: A maximum of 2 consultations can be charged for in a single day.
For OPD: Only 1 consultation can be charged for in a single day.

58. If there is a deviation from the procedures mentioned in referral slip, but are required during hospital stay, can these be reimbursed?

If the procedure was done on an unplanned basis, the procedure needs to be intimated. The PPD would review and provide go ahead so procedure can be performed.

59. What should be done in case patient does not avail the health service after acknowledgement of intimation?

The intimation can be cancelled by clicking on the 'Cases of cancellation' tab and selecting the case to be cancelled.

60. What should be done in case an additional investigation or procedure is to be added during existing treatment?

The intimation can be resubmitted by going to the 'Cases of treatment/discharge' tab and clicking on resubmission at the bottom of the acknowledged intimation under the intimation tab. The intimation will move to the raise intimation tab and additional procedures, or investigations may be added for raising the intimation again.

61. What are minimum documents to be submitted while raising intimation for OPD?

CGHS Card Copy and Referral slip are minimum documents required.

62. What is meant by pre-auth enhancement in medical cases?

For medical cases the first day would be on auto approved mode. In case extension of stay is required, the MEDCO need to seek enhancement through the TMS. Enhancement request may be approved maximum up to 7 days at a time and the same process may be repeated, if required.

63. How to intimate for emergency cases?

If patient found to be emergent, the patient can be admitted directly without a referral letter. Admission Type to be selected as Emergency".

64. What is Emergency certificate?

An "Emergency Certificate" is available in TMS, that needs to be downloaded, taken a print on hospital letterhead, and uploaded back in the system.

65. What is the Turn Around Timeline (TAT) for intimation?

Activity	Timeline
Raising intimation post TMS registration	12 hours
Intimation approval	•Cases with same line of treatment same as referral letter, emergency cases and cases for beneficiaries of or above 75 years of age are auto-acknowledged •3 hours- The claims that have different line of treatment compared to referral letter, cases with identified trigger or containing unspecified procedure/implant code are routed to PPD for review

66. How to register patient in TMS?

Enter the Beneficiary ID and the details can be pulled up pertaining to patient, personal details, photograph etc. that are auto fetched from BIS data.

67. Who is MEDCO? What is the role of MEDCO?

MEDCO is the medical coordinator at the hospital, designated to look after clinical activities related to CGHS beneficiary. His/her role is mainly to facilitate in ascertaining diagnosis and blocking right package, raising intimation, Discharge & Claim Initiation etc. All these activities are done by MEDCO in coordination with treating doctor and Pradhan Mantri Arogya Mitra (PMAM)/HCO receptionist.

68. Who is PPD and what is his/her role?

Pre-auth Panel Doctor is part of pre-auth processing team (ISA/IC/TPA/SHA), his/her role is Approval/Rejection/Raising Queries of pre-auth request.

69. Patient from State A is taking treatment in State B, which region-wise treatment package rate is applicable in this case?

After computerization no separate permission required. The package rate applicable is as per region of the treating hospital.

70. In what scenarios referral letter from CGHS is not required?

The below scenarios do not need a referral letter and need not be requested at any stage of claim processing. Also, the intimation for such cases will be auto acknowledged.

- Emergency cases
- Beneficiary of or above age 75 years seeking treatments under listed packages as per CGHS rate list. This includes both outpatient and inpatient treatments.

71. What is the process for availing health benefits at CGHS empanelled hospitals under the CGHS?

Beneficiaries can avail healthcare services after one-time e-KYC authentication on Beneficiary Identification System (**BIS**) at point of service. After e-KYC authentication of all registered members of card holders on BIS. Healthcare providers will be able to register verified beneficiaries on the Transaction Management System (**TMS**) for delivery of healthcare services without any manual process.

72. What is the process for healthcare organizations (HCOs) for onboarding on the NHA (National health Authority) IT platforms?

The HCOs need to –

a. Login to Hospital empanelment Module (HEM): https://hospitals.pmjay.gov.in/empApplicationHome.htm?actionVal=loginPage

b. Click on 'Only CGHS' and create an account on HEM

c. Login using Username and Password received on your mobile number

d. Reset password and set security questions

e. Complete the ***mandatory*** documentation and submit application

*Hospitals do not require any information from NHA to register on HEM portal (No prior ID is required).

Note: Hospitals will not be able to receive payments of the raised claims until they complete the onboarding process on the HEM portal. HCOs will be required to compulsorily migrate on the NHA's IT platform before 10th June……. to provide services under CGHS.

73. What if the hospital has submitted the application, but the application is still in the approval stage? Can they still get the BIS and TMS logins created?

For all existing empaneled HCOs, if the hospital application on HEM is still in approval stage, the

hospital can enter details for each use as per the given format in the google form by clicking on the below link –
For BIS: tinyurl.com/kpm497ht
For TMS: tinyurl.com/yw697vh7

*For onboarding on NHA Platform, approval of the respective regional AD, CGHS on applications for empanelment is a pre-requisite.

74. What if our hospital is already registered on HEM with PMJAY?

The HCO will have to create separate account on HEM for registering with CGHS. *Do not use the Hospital / Lab Reference Number and Password created for PMJAY.*

75. Will CGHS HCOs be automatically get empanelled with Ayushman Bharat Pradhan Mantri Jan Arogya Yojana (AB-PMJAY) also?

No, there is a separate application process for CGHS empanelment. The HCO will select the 'Only CGHS' from empanelment type at time of registration on portal.

76. Will the non-NABL Labs/Diagnostic Centre be able to submit application on HEM?

Yes. The non-NABL labs/diagnostic centers will be able to submit application on HEM.

77. What if the error message "Hospital with this PAN entry is already registered and pending for approval" appears on the screen?

This error may come if:
A. PAN is already registered by another unit/branch of the same group of hospitals.
Cause: Hospitals did not select '**Group'** from the Hospital Parent type option at the time of creating an account on HEM.

B. Another HEM application is already submitted or is in draft stage.
Cause: A duplicate HEM application is created for the hospital.

HCO may raise a ticket on Tech Support portal of NHA (support.pmjay.gov.in). Concerned login credentials have been sent to all CGHS **empaneled HCOs** on email address registered on HEM portal. Concerned user may follow below steps to raise a ticket:
Step 1**:** Visit Support Portal on preferred browser: - https://support.pmjay.gov.in/ and click on "Open a New Ticket".
Step 2**:** Log into the portal using concerned user credentials.
Step 3**:** Once logged in – select applicable option from "Select a Help Topic" dropdown. **Note**: - Please do not use "New Feature Request" option under "Help Topic".
Step 4**:** According to "Help Topic" selected – specific dropdowns would appear. Please select appropriate option from each dropdown. Concerned user can type in the issue specific details and attach required documentation by clicking on "choose them" hyperlink.
Note: - Please select "All States" in "State" dropdown field.
Step 5**:** Once all the required fields are filled in – click on "Create Ticket".
Step 6**:** A support ticket number will be generated accordingly.
Step 7**:** Concerned user may also search for assigned ticket number(s) to track progress of the same with the concerned team.

78. What if error message "Please check the hospital contact person mobile number entry" appears on screen?

This error means that the mobile number is already registered on HEM and application approval is

in pending stage.
HCO may raise a ticket on Tech Support portal of NHA (support.pmjay.gov.in). Concerned login credentials have been sent to all CGHS **empaneled HCOs** on email address registered on HEM portal. Concerned user may follow below steps to raise a ticket:

Step 7**:** Concerned user may also search for assigned ticket number(s) to track progress of the same with the concerned team.

82. What if I forget my password for HEM Portal?

In case of incorrect password or you have forgotten password, please follow the below mentioned instructions:

a.i.1. In HEM Home page, kindly feed hospital ID and click on the forget password option.
a.i.2. The Above step will provide you with OTP on registered mobile number on HEM.
a.i.3. Now use this OTP for generating temporary password which will be also delivered on same registered mobile number. It will be used for logging in HEM.
a.i.4. Later you can generate password of your choice following the validation guidelines (.i.e password should contain characters in between 8 -12 and combinations of small, capital letters and special characters).

83. What if I forget my Hospital/Lab Reference Number HEM Portal?

Click on "Forgot Hospital/Laboratory Reference Number" option. Enter registered mobile number or email ID to retrieve Hospital/Lab Reference Number details.

84. Can the previously filled data be retrieved later?

The application can be saved at any point during the filling process by pressing the 'save' key that appears at the bottom of every page of the form. The previously filled application can be retrieved if the same username and password is entered to retrieve the previously filled application.

85. What are all the mandatory attachments to be uploaded before submission?

Mandatory attachments are as follows:

a. NABH/NABL accreditation certificate
b. PAN card and Bank details (Cancelled cheque)
c. Registration certificate
d. Undertaking by the hospitals for usage of CGHS rates (to be downloaded, duly filled, and uploaded on HEM).

86. How will HCPs know that their entries were successfully submitted for the approval

and who will approve it?

Once, you have successfully submitted the entries on portal then you get message on the screen about successful submission and your application will go to AD-CGHS office of your region for approval. Once approved / rejected / for clarification, you need to login into account to check the same for needful action.

87. While Registering on HEM, a message comes like "this Mobile number is already present" or "this email ID is already present" or "this PAN number is already present"

Please re-check if you've selected **Only CGHS** as the empanelment type and not PMJAY. In case you've selected only CGHS and continue to get this message; it implies that this number is already tagged with a Hospital/Lab in HEM.

HCO may raise a ticket on Tech Support portal of NHA (support.pmjay.gov.in). Concerned login credentials have been sent to all CGHS **empaneled HCOs** on email address registered on HEM portal. Concerned user may follow below steps to raise a ticket:

Step 1**:** Visit Support Portal on preferred browser: - https://support.pmjay.gov.in/ and click on "Open a New Ticket".

Step 2**:** Log into the portal using concerned user credentials.

Step 3**:** Once logged in – select applicable option from "Select a Help Topic" dropdown. **Note**: - Please do not use "New Feature Request" option under "Help Topic".

Step 4**:** According to "Help Topic" selected – specific dropdowns would appear. Please select appropriate option from each dropdown. Concerned user can type in the issue specific details and attach required documentation by clicking on "choose them" hyperlink.

Note: - Please select "All States" in "State" dropdown field.

90. How do I change the contact details (phone number, email address etc.) of the nodal officer in HEM?

Please go to 'Hospital Basic Info' page and in contact information section the concerned user can change the contact details (phone number, email address etc.) of the nodal officer.

91. The Establishment is a Lab but it's showing as Hospital in HEM, or it is a clinic but showing as Hospital on HEM.

Before HEM application is approved by the AD: You may login & change the Hospital Type from the Dropdown in the Basic Info Tab

92. What if we have multiple branches or outlets which use the same PAN and getting an error that this PAN is already used?

In case you are a Group Hospital then please select Parent Type as "**Group"** during account creation for onboarding process.

93. How to know current status of your application?

After logging in, in top section of Hospital Basic Info tab, you will see the status of the application.

94. How would you know if AD has approved the application?

After AD approves the application, a SMS is sent to the registered mobile number. Alternatively, you may login & view the status in the top section of Basic Info Tab.

95. Check Eligibility tab is not opening. What could be wrong?

This happens when some mandatory information is yet to be filled. Please see the tab named "What else to fill". Anything in red font colour means its mandatory & you haven't filled it

96. AD cannot see the application in his worklist. Why?

Please confirm if Hospital/Lab application is approved by Dealing Hand. This can be confirmed as mentioned in #9. In-case the AD still cannot view the application, confirm if the Region selected is correct or not. If all fails, please reach out to NHA Personnel.

97. Dealing Hand cannot see the application in his worklist. Why?

Please confirm if Hospital/Lab has submitted the application. This can be confirmed as mentioned in #9. In case the Dealing Hand still cannot view the application, confirm if the Region selected is correct or not.

98. After approval, AD cannot see the application. Why?

Please use Application Status Search by selecting the status as "Hospital Approved for Empanelment". In case the AD still cannot view the application, confirm if the Region selected is correct or not.

99. How to add new Specialities after approval?

Please login & navigate to select Upgrade Application & then Specialities Tab. Select the applicable Specialities & save. The application will go to Dealing Hand & subsequently to AD for approval.

100. How to Correct Basic Details after approval?

Please Login & navigate to Update Application. Then update any information apart from State.

101. How to Add new manpower after approval

Please Login & navigate to Upgrade Application & then select Manpower Tab. After filling the details, please click on Submit for Approval Button. The application will go to Dealing Hand & subsequently to AD for approval.

102. How to change financial details after approval?

Please login & navigate to **Upgrade Application** & then select **Financial** Tab. After filling the details, please click on Submit for Approval Button. The application will go to Dealing Hand & subsequently to AD for approval.

103. How many details in Manpower do I have to put?

At least one Duty Doctor or Specialist.

104. How to proceed in case I don't have some of the mandatory documents/attachments despite Correct Hospital Type?

In a PDF, please mention that the attachment being asked for is Not Applicable & upload the same. Also, while submitting mention the same in Remarks

105. How to Proceed in case some data fields/values are not applicable despite Correct Hospital Type?

Enter 'NA' as values. Also, while submitting mention the same in Remarks.

106. The status is showing as Hospital Clarification Required. What action is required from my end?

Go to Check Eligibility Tab & see Workflow details.

107. In Name of Accreditation board, NABL is not showing up

Please re-check if Type is Hospital. In case so, please change it to Lab from the Basic Info Tab

108. Where can I find the Template for Declaration filing?

In the Attachment Section, a Link with the same name is present

109. How can I change / retrieve the password of HEM?

In case of incorrect password or you have forgotten password, please follow the below mentioned instructions:

a.i.1. In HEM Home page, kindly feed hospital ID and click on the forget password option.

a.i.2. The above step will provide you with OTP on registered mobile number in HEM.

a.i.3. Now use this OTP for generating temporary password which will be also delivered on same registered mobile number. It will be used for logging in HEM.

a.i.4. Later you can generate password of your choice following the validation guidelines (i.e password should contain characters in between 8 -12 and combinations of small, capital letters and special characters).

110. How to extend NABH/NABL accreditation on HEM portal?

1. Please follow the below steps to extend the NABL/NABH accreditation on HEM.
2. Step 1. Login to your HEM account
3. Step 2. Click on Upgrade application
4. Step 3. Click on Accreditation details
5. Step 4. Enter correct details and upload certificate
6. Step 5. Click on submit for approval

111. I am unable to upload bank mandate form – not getting option under "Upgrade Application" on HEM portal. How to submit the form then?

Please check if you have logged into HEM using "**PMJAY Only**" empaneled hospital id or "**CGHS Only**" empaneled hospital id. The option to update bank mandate form will appear only when you login to HEM using "CGHS only" empaneled id. The option to login is on the right-hand side on HEM portal.

112. How to I change my bank account in HEM.

STEPS TO UPDATE FINNACIAL DETAILS IN HEM:

1. Login to your HEM account
2. Click on upgrade application
3. Click on upgrade financial details
4. Enter the correct details and upload copies of PAN CARD and Cancelled cheque.
5. Click on submit for approval by AD CGHS

113. Can you please share some video tutorials for onboarding of CGHS HCO's on NHA's IT platforms - TMS and BIS?

Please visit: https://tinyurl.com/u2pteyfx

You Tube Channel – National Health Authority -> Playlists -> **tutorials for onboarding of CGHS HCO's on NHA's IT platforms**

114. What is the Turn Around Timeline (TAT) for claim initiation?

Activity	**Timeline**
Updating date of discharge (inpatient stay)	Should be the same as physical discharge of the patient
Initiating claim post completion of the inpatient visit	7 days post physical discharge
Initiating claim post completion of the outpatient visit	48 hours post physical discharge

115. Why mandatory documents are required to be uploaded for all cases?

Mandatory documents are required to be uploaded by the hospitals for all claims to enable the Pre Panel Doctor (PPD) and Claim Panel Doctor (CPD) to make right and informed decision on intimation request/claim. The documents required depend on package selected.

116. What are minimum documents to be submitted while raising claim for OPD?

The mandatory documents would vary as per package code. The submitted documents must be authenticated by the doctor, with stamp bearing registration number.

117. Who is CEX and what is the role?

Claim Executive is a part of claim processing team and his/her roles are verification of non-technical information like documents, reports, dates etc. and to forward the case to claim doctor with Inputs.

118. Who is CPD and what is the role?

Claim Panel Doctor is a part of claim processing team. CPD role is adjudication of claims i.e., Approval/Rejection/Raising Queries.

119. Who is CGHS Medical Officer and what is the role?

CPD forwards claim to CGHS Medical officer, who can process the claim further (approve/reject/raise query). The claim can be approved, if all found correct and forward the claim not meeting the triggered cases criteria for further processing.

120. Who is Sanctioning Authority and what is the role?

Sanctioning authority is CGHS level officer. The SA scrutinizes processes the claims received from CGHS MO and/or CPD as well as dedicated bucket of triggered cases.

121. Who is DDO/PAO and what is the role?

DDO is the Drawing and Disbursing Officer who is responsible for authentication of the bill payment and forwarding for disbursement.

PAO is Pay and Account Officer who co-ordinates for the final payment to the hospital

122. What are Turn Around Timelines (TAT) at various levels?

Activity	**Timeline**
Response to claims received from Medco by CPD (new claim or query response)	24 hours
Response by Medco to Queries by PPD/CPD/CMO/SAO	72 hours
Response by CGHS CMO to claims received from CPD	24 hours
Response by Sanctioning authority to claims received from CGHS CMO	24 hours
Response by DDO/PAO to claims received from SA	24 hours
Claim settlement for clean claim	7 days from date of receipt of claim by hospital with completed documents

123. Can hospital send the case back for reconsideration in case of deduction or rejection and within what timeline?

No, Sanction authority is the final decision maker for claim.

124. What is the penalty methodology for defaulting hospitals?

The penalty methodology for defaulting hospitals includes:

i. Issue of show cause notice

ii. Fine up to 15% of PBG, i.e. approx. 1.5 Lakhs.

iii. Recovery of over-charged amount

iv. De-empanelment

125. How to decide the amount for a procedure booked under 'unspecified surgical package'?

For deciding on the approval amount, the PPD may consider the rate of closest match of the

requested surgery (including major and minor package in related category), in listed CGHS rate list. If unavailable, at the rates approved by AIIMS/ GB Pant Hospital/ actuals can also be used, whichever is less.

126. How are benefits under CGHS card accrued?

CGHS card benefits are accrued prospectively i.e. the conditions and services after the card is made are valid to be covered for. The benefits accrued before or during making of the card, are not valid.

127. Does CGHS cover for cosmetic procedures?

CGHS will not cover for procedures as well as implants provided with a cosmetic intent. Some examples include- LASIK surgery, certain dental implants. Certain procedures in medical conditions are covered Ex. Plastic surgery for facial paralysis.

128. What are current triggers in place for the cases received and how they are dealt with?

- Cases above 7lakhs- opens for PPD review instead of getting auto-acknowledged.
- Unspecified implant >1 lakh cost
- Suspected cases of over billing, wrong admissions, etc.
- Long stay (extension request on weekly basis)
- The triggered cases are reviewed by SA before final approval

129. How can I upload an old bill for June/ July'21 on TMS?

If the case is appearing in Missing Invoice section – or has been asked under a query – then, you can upload the bill by selecting nearest date available on the system and mention the actual date in Remarks.

130. I am an AYUSH hospital. I have received query for justification of unspecified package/ bill breakup.

The reason you must mention in query response under official hospital letterhead. Kindly provide a justification letter why the package is booked under unspecified. Provide legible intimation letter from the AD.

131. I am an AYUSH hospital. I have received query for intimation to AD in case of yoga & naturopathy.

Please provide an intimation letter to AD in a clear and legible format as per the query.

132. How do I check the claims for which payment has been made?

Please follow below steps: -

1. Click on MIS.
2. Click on Claim Paid Report.
3. Select the date range in "**Claim Paid from Date**" and "**Claim Paid to Date**"
4. Select CGHS in State.
5. Select Entitlement.
6. Click on Search.

133. How do I view the status of all claims submitted on CGHS TMS portal from my MEDCO login?

For the same - request you to please use "Cases Search" feature on CGHS TMS to view claim status.

- Go to **'Cases Search'**
- Click on '**Advanced Search**'

- Select required '**Entitlement**'.
- Select **Patient State** as "CGHS".
- Select the date range in "**Claim from Date**" and "**Claim to Date**"
- Click '**Search**'.

You may please view the same on tutorial video regarding the same: https://tinyurl.com/3ex3z76v

134. Claims have been submitted on the portal. However, payment has not been made to me yet – please advise.

All the concerned authorities are working to address this delay. Several claims have been processed and are at different stages of the claim cycle handled by NHA, CGHS and PFMS teams. Rest assured; the concerned teams are all striving towards claim processing. Once concerned process-related issues are streamlined, you won't face the delay.

135. Who performs the activities relate to discharge in TMS?

Medco performs the discharge related activities in the system that include updating of discharge date, updating amount of drug and consumable (wherever applicable), uploading all the documents in the system etc.

136. How will medicines at discharge be covered for?

The aim of providing these medicines at time of discharge is to maintain continuity of care even after discharge. In case of pensioner beneficiaries, a separate bill is provided by the HCO. In-service beneficiaries to raise bill after paying the amount to hospital, CGHS is liable for a capped amount of INR 2000. If bill amount is less, the latter will be considered. The medicines issued are covered by CGHS when provided for maximum of 7days. If prescription of lesser duration is provided, the latter will be considered. Only the essential medicines will be considered by CGHS- No vitamins, tonics, cough syrup, injections nutritional supplements and other non-essential ones are considered under this OM. This covers discharge from all possible episodes of care- conservative management as well as hospital stay for surgery.

137. How can the drugs/consumables be charged utilized during the hospital stay?

The surgical package includes the cost of drugs/consumable utilized during stay, hence cannot be charged additionally.

The drugs/consumables utilized in conservative management can be charged separately. The bill for the same can be added at time of claim initiation.

138. I am unable to select the required date while discharge/ admission date – what do I do?

If the issue is related to Admission Date – then, please check the registration date. The registration date should be on or prior to the Admission Date.

If the issue is related to Discharge Date – then check the admission date. The Admission Date should be on or prior to the Discharge Date.
